**Perfect Roses** —are the result of perfect growing, perfect grafting, perfect care. We have during the past fifteen years made a specialty of roses and in so doing believe that we can today give our customers a **better** rose plant. In this circular we have selected those varieties from our own green houses which our experience has proved will earn their way for you if properly grown. Use the attached Business Reply Card for your order and send it to us just as quickly as possible.

## R.M.S. QUEEN MARY—

This beautiful rose is THE ROSE of the 1938 season. Every shoot produces a perfect flower. There are no bad buds, no blind wood on this rose. Color is a rich, glowing salmon pink with orange base; bud is long, pointed and of beautiful form. Has been awarded five gold medals.

Price—\$ 35.00 per 100  
\$350.00 per 1000 in all quantities

## YELLOW GLORIA—

Yellow Gloria is a sport of Souvenir which is in our estimation the outstanding clear yellow rose. It is a stronger grower than either Souvenir or Talisman and in addition the first crop of blooms on new plants is not bullheads. Yellow Gloria does not have the objectionable streak in the side of the bud, and we feel that it is the best of the yellow sports of the Talisman family.

\$250.00 per 1000 in all quantities

## BETTER TIMES—

Jos. H. Hill Co.  
U. S. Plant Patent No. 23

Better Times has proven itself popular not only with the larger growers, but it is also excellent for the retail grower who has need for a rose that can be used either for a red or a dark pink. This famous sport of Briarcliff is commanding a premium in the market, and its popularity is increasing rapidly.

Price—\$ 30.00 per 100  
\$300.00 per 1000 in all quantities  
(See terms of sale for replacement prices)

## LESTRA HIBBERD—

Jos. H. Hill Co.  
U. S. Plant Patent No. 156

Lestra Hibberd is a seedling of Joanna Hill and Sweet Adeline and has a pleasing orange color slightly tinted with white when open. It is a larger flower than Joanna Hill, a good producer, and throws a good commercial grade of rose. It is a type of rose that is well liked by growers, wholesalers and retailers.

Price—\$ 30.00 per 100  
\$300.00 per 1000 in all quantities

## CHIEFTAIN—

The Montgomery Co., Inc.  
U. S. Plant Patent No. 150

Chieftain is a red seedling of Hadley and Talisman, closely resembling Hadley except that it is a brighter red and has a distinctly yellow base. The one salient feature of Chieftain is that it will open, and this is a very important point in selecting a red rose.

Price—\$ 30.00 per 100  
\$280.00 per 1000 in quantities 100 to 3750  
\$270.00 per 1000 in quantities 3750 to 6250  
\$260.00 per 1000 in quantities 6250 and over

## SOUVENIR—

A. N. Pierson, Inc.  
U. S. Plant Patent No. 25

This free growing yellow sport of Talisman is continuing its performance with practically everyone. Its high production blends itself very well with the present demands for a variety which will produce more flowers per plant and still maintain a good quality.

Price—Same price as standard varieties plus 5¢ per plant royalty.

## YELLOW JOANNA HILL—

White Bros., Rose Corp.  
U. S. Plant Patent No. 22

A clear yellow sport of Joanna Hill, a good grower, and well liked on the wholesale market. It is identical in growth with its parent and is excellent for the retail grower.

Price—\$ 30.00 per 100  
\$250.00 per 1000  
\$240.00 per 1000 in 5000 lots

## STANDARD VARIETIES—

(Including: Briarcliff, D. W. Killarney, Hollywood, Sunkist, Talisman, Golden Charm, Pink Delight, Rapture, Mrs. Finch and Geo. Elgar.)

May we draw your attention to the fact that the beautiful yellow Geo. Elgar is an excellent companion to the pink Mrs. Finch.

Price—\$ 25.00 per 100  
\$200.00 per 1000 in quantities 100 to 3750  
\$190.00 per 1000 in quantities 3750 to 6250  
\$180.00 per 1000 in quantities 6250 and over
